

Dear Recruiter,

I'm an experienced Drummer/Percussionist with excellent sight-reading and click track skills and a diverse repertoire ranging from Showband to rock to jazz to Latin. An overview may be found at www.danielphoto.com/drums. Extensive playing and instruction in Central America and recent combo work have further expanded my strengths.

I'm free to travel anytime, for any length of stay, hold a current US Passport, am fully vaccinated, and am bilingual English/Spanish. I played with Crystal Cruises, and served as a Guest Lecturer with Royal Caribbean and Princess recently, teaching photography and social media, which was also extremely well received!

Thanks very much for your interest!

Best,
Daniel
